

# ADA Train the Trainer

Sponsored by:  
Pennsylvania ADA Coalition  
DBTAC: Mid-Atlantic ADA Center

Learn 2 training curricula that  
will increase access and  
employment opportunities in  
your community

This is a training designed by the DBTAC to help hotels and restaurants improve their service to customers with disabilities. The morning session will teach you how to deliver this training to hotels and restaurants in your area.

This training was developed by the Pennsylvania Initiative on Assistive Technology (PIAT) to help employers understand the use of assistive technology as a reasonable accommodation. In the afternoon you will learn to deliver this training for area businesses and employers.

**Philadelphia: May 12, 2009**

Liberty Resources, Inc.  
714 Market Street, Suite 100

**Pittsburgh: May 14, 2009**

Three Rivers Center For Independent Living Services, Inc.
